|Welcome Message

Welcome to the 4th Edition of the A&B Expo - 2026, proudly presented by ACE Exhibitions, India's only dedicated trade exhibition for adhesives, sealants and bonding technologies. One of the fastest-growing segments in manufacturing, assembly and materials processing, the bonding industry is driving innovation across automotive, aerospace, electronics, packaging, construction and more.

After three successful editions, we invite you to join us in 2026 for an event that is bigger, more global and more future-focused than ever.

| Why Attend / Why Exhibit

| Why Attend

- › Get direct access to global & Indian suppliers of adhesives, sealants, bonding tapes, system integrators, dispensing robots, curing systems and more.
- › Discover latest technologies and application solutions for sectors like automotive, transportation, aerospace, electronics, appliances, construction, furniture & packaging.
- › Network with decision-makers, engineers, procurement heads and manufacturing strategists who are actively seeking bonding & adhesive solutions.
- › Attend live demos, product launches and technical sessions (to be announced) that will deepen your understanding of bonding trends, materials and automation.

| Why Exhibit

- › Showcase your brand and innovations in the region's only dedicated bonding expo – positioning you as the go-to partner for this growing market.
- › Reach relevant buyers from key sectors: automotive, aerospace, electronics, appliances, packaging, construction, medical.
- › Generate new leads, engage in meaningful conversations, and close business faster through face-to-face interactions.
- › Leverage collective marketing, media support, and visitor outreach from the organisers to drive
